

## Erl Malboeuf

2017-2018 Membership Director - South

National University Los Angeles

Graduation: August 2018

Allo! Comment ça va? I speak French fluently and only learned English when I was 5 years old. I was born and raised in Downey, California. I love running mud obstacle courses and I am planning to complete the

Toughest Mudder this coming March in Acton, CA and the World's Toughest Mudder in Fairburn, GA in November. I have run 14 marathons and one triathlon so far. My favorite hobbies include hiking in the San Gabriel Mountains and hanging out in Huntington Beach. I have been an EMT for four years in ambulances and emergency rooms. I decided to be a nurse to challenge myself, expand my scope of practice, and positively affect the lives of others in their most trying hours. I am currently serving as the President of the National University Student Nurses' Association in Los Angeles and I chose to run for CNSA Membership South Director because I can help other chapters grow their membership by:

- Sharing what successful chapters do to boost their numbers.
- Using social media platforms to enlighten nursing students about everything CNSA has to offer.
- Coordinate with current students to establish new chapters and update the toolkit.
- Plan and execute a successful Membership Meeting South, which is happening at CSU San Marcos on Saturday, February 24, 2018.

If you are interested in joining the Membership South Committee or have any concerns, please contact me via [cnsamemsouthdir@gmail.com](mailto:cnsamemsouthdir@gmail.com) or 562-922-1154. I hope to see you all at our 2018 Membership Meetings!
