

Sophie Parsh

2017-2018 Image of Nursing
Director

University of California Irvine

Graduation: June 2019

Hello! My name is Sophie Parsh and I am the 2017-2018 Image of Nursing Director. I am a third year at UC Irvine, but I am originally from Sacramento. I am very excited to be on board. Ever since I was little, I knew I wanted to be a nurse. The profession is so amazing!

There are so many different opportunities that nursing provides. Throughout my life, nurses have inspired me to work hard and do more. I was introduced to CNSA my first year of school. UC Irvine did not have a chapter, but I attended convention anyways. My first convention was in Pomona and of course, I was inspired. The speakers, presentations, exhibits, and participants gave me such a boost of enthusiasm for the nursing field. Everyone at Convention had such a strong passion for nursing that I wanted to adopt as well. Fast forward to this year, I went back to Pomona for the CNSA convention. This year's convention inspired me once again, but in a different way. Talking to the previous board, being on CNSA sound like a life changing experience that was calling my name, so I decided to run. I made a last-minute decision to run, but I am so glad I did! As your Image of Nursing Director, I plan to promote a positive image of nursing through the chapters. We are the future generation of nursing, so we have the amazing opportunity to change the profession in a more positive way. I am excited to see all the accomplishments of the chapters and board for this year!

Goals:

- Develop a social media campaign based on the 6 values of nursing
 - Leadership and Autonomy
 - Quality Education
 - Advocacy
 - Professionalism
 - Care
 - Diversity
- Assist the CNSA board with all activities and events happening
- Promote a more positive image of nursing through CNSA chapters
- Unite the CNSA chapters through a social media campaign

If you are interested in being on the committee, please email me! I would love to have you.
