

Jade Evans

2017-2018 Vice President

National University San Diego

Graduation: October 2018

Hello CNSA Constituents,

My name is Jade Evans and I am truly honored to have the opportunity to serve as your 2017-2018 CNSA Vice President. I am currently a BSN student at National University's San Diego campus with an expected graduation date of October 2018.

Throughout my time at National University I have had the pleasure of holding several leadership positions including Cohort Representative and Vice President of my local chapter, NUSNA San Diego. Each of these positions have allowed me to develop and hone skills that I am excited to bring to CNSA!

My goals for the following year are as follows:

- Complete a formal review of the bylaws to update the verbiage of foundational documents.
- This will allow me to provide further clarity on the roles of CNSA and NSNA to help create transparency from the chapter level up to the National platform.
- Consolidate and review CNSA and NSNA chapter resources to formulate an updated Bylaws guide and leadership Toolkits.
- With this, I plan to develop a 3-year, cyclical schedule to allow CNSA to assist local chapters in various capacities and provide support during bylaw reviews.
- Define the role of CNSA as an active resource available to schools in all matters of Chapter operations.
- Encourage involvement and communication from individual members by creating transparency between the CNSA Board and its members through Monthly Director Spotlights and Honorable Mentions.

I look forward to all we will accomplish this coming year! Do not hesitate to reach out, I am always here to assist in any way I can!
