

Invitation to Exhibit

The CNSA Annual Convention attracts nursing students, recent graduates, faculty, and nurse leaders from all areas of California. Our student participants are leaders in their school chapters and student organizations – they are the best and brightest of the tomorrow's nursing workforce!

The goal of CNSA's Convention is to empower nursing students and new graduates through knowledge and resources as they begin their journeys as RNs. This year's activities include a full day of exhibitor opportunities on Saturday – the highest attendance day of the conference. The CNSA State Convention Exhibit Hall consists of 50 tables spaces for exhibitors. The hall designed in "the round" to optimize traffic flow. We offer plenty of isle space so you can meet our attendees and have meaningful conversations with them in the exhibit hall rather than somewhere else.

We invite you to connect with the future leaders of the nursing profession by participating in CNSA's 2018 Annual Convention.
