Raise funds for your graduating class while earning community service hours.

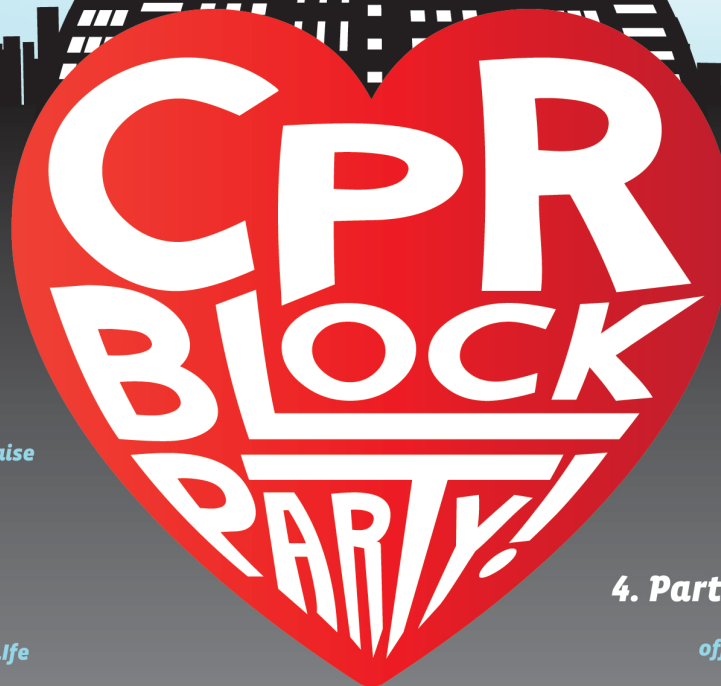

- Teach CPR
- Raise Funds
- Earn Community Service Hours
- Help Your Community
- We Help You The Whole Way

Presents

What is it?

CPR Block party is a community event providing Free CPR classes for your local community. Educate your community with life-saving training by hosting your own CPR Block Party and help raise funds for your graduating class all the while satisfying community service hour requirements for all volunteers involved.

What You Need:

1. Location

Where will the event take place?

2. Volunteers

Gather up your fellow students

3. Sponsors

Get local businesses involved to raise funds for your graduating class

4. Promotion

Get the word out and get your community involved

5. Date + Time

Reserve a day and time with EduLife

What We Provide:

1. Instructor

AHA Certified instructor will train your volunteers

2. Guidance

Designated point of contact will answer your questions and provide guidance

3. Manikins

Up to 20 State-of-the-art Manikins will be provided

4. Participation + FAQ Cards

All participants will receive an official CPR Block Party Participation Card and a helpful FAQ card
