5 Submit Resolutions for 2018 CNSA Convention 1st DRAFT DUE 8/15/2018

Are you passionate about an issue in healthcare? Would you like to make a difference at the state, and possibly national level? A resolution is a great way to make change or increase awareness of issues you are passionate about. The number of issues and topics to choose from are endless. Resolutions help increase awareness and/or create change in legislation, and when adopted by CNSA they become the basis of policies, priorities and actions of CNSA. These resolutions are presented at CNSA State Convention and may be presented at the NSNA National Convention.

First draft due 8/15/2018 Final draft due 9/1/2018

Ready to write your resolution? The resolution toolkit is available at <http://www.cnsa.org/>
