

COMMUNITY HEALTH

CALIFORNIA NURSING STUDENTS' ASSOCIATION

COMMUNITY HEALTH RESPONSIBILITIES

- **Organize and coordinate community projects** while giving nursing students opportunities to utilize their knowledge and skills
- **Provide avenues for community outreach** for our nursing students to help cultivate leadership and nursing-relevant experience

FIND/CREATE EVENTS

- Find events in your community to participate in!
- Create a team or a group to participate in these events
- Examples
 - Walks
 - Relay for Life
 - Light the Night
 - Health Screenings
 - Flu Shot Clinics
 - Food/Clothing Drives

FUNDRAISE

- Brainstorm different ways to fundraise for these community events
 - T-Shirts
 - Car Washes
 - Restaurant fundraisers

FLU SHOT CLINICS

LIGHT THE NIGHT

SAN DIEGO HEART WALK

MEALS ON WHEELS

AIDS WALK: COMMUNITY HEALTH SCREENING

BRIDGE TO HOME- SHELTER HELP

FORM A COMMITTEE

- Recruit CNSA members to join a committee to assist the directors organizing various events
- Meet with the committee once a month to brainstorm and plan events to participate in

NEED MORE HELP OR INFORMATION?

- Talk with advisors about community needs they see
- Use CNSA's Monthly Health Observance Toolkit available online at [CNSA.ORG](https://www.cnsa.org)

SHOW US YOUR WORK!

- Email pictures and updates to CNSA Community Health Director
- Apply for CNSA Community Health Award

QUESTIONS/CONCERNS

**Don't be afraid to reach out
and ask for help!**
